

# OCF CAMBERSHIP REQUEST FORM

## Request for Financial Aid to Attend a Christian Camp with OCF

Please fill out a separate request for each Camper. ALL Campership requests are due to Mark Stepp, Director of Student Ministries. This form and your deposit are required to secure your spot for camp. We strongly recommend that you complete and return this form to Mark and **submit your deposit ASAP.**

OCF is blessed to have limited financial aid available, thanks to the donations of anonymous givers! Since we are growing as a youth group, we want to make the financial aid application process easy and more consistent for everyone. Your answers will help us as we seek to help meet the financial needs of students who wish to attend a Christian Camp with OCF this year. Thank you!

\*Campers requesting a Campership for Hume Lake are required to participate in 3 out of the 5 Hume Lake fundraisers. Participation in the Hume Lake Banquet fundraiser at OCF is required. Campers may not opt out of the Hume Lake Banquet fundraiser at OCF. Campers requesting a Campership for Hume Lake must also turn their Campership form in by the last Sunday in March. Priority is given to those who submit their Campership forms by the last Sunday in March. We cannot guarantee that financial aid will be available for those who submit their Campership form after March or much later in the year.

\*Students who regularly attend our youth ministry programs will have priority over students not regularly connected with OCF Student Ministries (e.g., relative out of state, etc). Financial aid is limited, but OCF desires to give every student an opportunity to attend camp. We will do our very best to assist every student in financial need. We will also pray that the Lord give us wisdom to understand how to help the needs of our students. Thank you for submitting your OCF Campership Form.

*Please fill out both sides of this application!*
